Ralph's Raves...

With the wonderful warm weather and abbreviated pool season, we will postpone the closure of the outdoor pool for awhile. The weather is supposed to stay fairly warm so come and enjoy the pool and patio area. Outdoor pool closure may occur with limited notice.

Many members have commented that we need to replace the tree that blew down on the north side of the entry drive. We are looking at options that could include transplanting or relocating a large tree, possibly even a tree from our property. Whether it is relocating a large tree of ours or bringing in a large transplanted tree, it is very costly. I have estimates to do this work, which taxes our 2011 budget with the recently completed fall pruning and tree removal requirements.

Here is an extremely good cause by Carlyle Williams! Carlyle has mentioned to many of you and encourages homeowners to contribute large, small or any amount in-between for the entry drive spruce tree. If you have questions on this project, or are willing to help fund this worthwhile cause, please contact Carlyle or the office.

As the month progresses, temperatures are going to start to cool off. As soon as you start hearing about local freeze warnings, it is extremely important to disconnect your garden hoses. Also, don't forget other pre-winter season needs, such as having your heat system serviced.

Oh yeah, did I mention we're going to leave the pool open a little longer? ☺

Ralph

Tidbits...

• NEIGHBOR NUISANCE

Our community has recently had some unpleasant experience with loud neighbors, as well as neighbors not controlling their pets. Our first response as good neighbors should be to calmly approach our neighbors. If you cannot resolve it on your own as reasonable neighbor-to-neighbor, please contact the proper authorities. In the case of unreasonable noise, such as loud parties, contact the Larimer County Sheriff's non-emergency at (970) 416-1985. In the case of a pet attack, please call Larimer County Animal Control at (970) 226-3647. In addition, the Association should be informed as serious or multiple offenses could infer fines. Quality of life should be foremost in our minds. We need to respect each other.

• SAVE THE DATE -

SOUP SUPPER

Adriel Hills Condo Association will be holding their annual *Soup Supper* on Sunday, October 23rd at 5:30. A wonderful variety of home made soups are offered at the clubhouse. If you've never been, you are missing out. More information will be out in a flyer. See you there!

New Neighbors...

John and Bevin Campbell and their 7 year old twins, Arlo and Stella, have recently moved to 1921 Kedron Circle. John was born in Connecticut, Bevin in Minnesota and the twins in Vermont. They spent over a year in New Zealand, moved to Bozeman, MT and then to Old Town before moving to Adriel Hills. John is self-employed and Bevin works for a web site that sells bike supplies. The family enjoys the outdoors, swimming, and biking which is their main mode of transportation. The family enjoys our park-like community. Welcome to one of the most desirable communities in Larimer County.

John (Jack) Schlaf and Herlinda (Linda) Reyes are the new residents at 1932 Kedron Court. They previously lived in Nebraska. Jack is a retired Catholic priest. They moved here to be close to Linda's daughter and grandson who live in Fort Collins. Jack is a golfer and enjoys bridge and scrabble. Linda enjoys reading and being close to her family.
